K I T C H E N

**At The Wine Kitchen, we aim to provide a high quality experience of tastings from our range of wines, small batch gins, spirits, beers & cocktails. We do not sell house wines, just high quality wines you can select to taste by the glass or indulge in a bottle. Many of our wines are selected from small independent producers from around the world.**

**You can also choose any of the wines on our retail shelves to consume in the bar for a small corkage fee. Highlight the wine you have chosen to a staff member and they will take care of the rest.**

**We also offer a selection of Sharing Boards, Snacks and Nibbles to compliment the wine. All our food is freshly prepared and often includes homemade specials. See our blackboards for the Sharing Board Specials and the homemade 'Dish of the Week'.**
